

# Air Conditioned London

## 2024

- 
**London Underground**  
*Only the four 'sub-surface' Underground lines have air-conditioned trains.*
- 
**London Overground**  
*Some London Overground trains are air conditioned, others are air cooled depending on what unit you travel on*
- 
**Elizabeth line / Crossrail**  
*All new Class 345 trains - now running through the centre of London, have air conditioning.*
- 
**Trams**  
*Newer style of Trams have air conditioning.*
- 
**Thameslink**  
*Only 'Central Core' section of Thameslink is shown, trains go further.*
- 
**Northern City Line**  
*Class 717 trains on this are air conditioned*
