

The Eight Stations which have a 'Platform 0'
 Cardiff, Doncaster, Edinburgh Haymarket, Gravesend, London King's Cross, Rainham (Kent), Redhill, Stockport

Stations that almost have a Platform 0 but don't
Birmingham New Street Remains the stub of an old mail platform
Bedford has a platform '1a' could arguably be numbered '0'
Blackheath has a disused bay next to platform 1
Bridgend has a platform '1a' that could arguably be a platform '0'
Chester has a disused and unnumbered platform with tracks next to Platform 1
Chippenham - Has an unnumbered platform with no tracks
Hooton Has a platform '0' that is never used
Preston The former parcels platform that some refer to as '0'
Liverpool Lime Street Has a disused platform but with no tracks
Stroud has a disused platform with track next to platform 1

"We Stop At Nothing"
